

Below are parking instructions for gardens on the 2024 tour. Please be respectful of neighbors and drive slowly in residential areas.

Matanzas Creek Natives - 3338 Cypress Way, Santa Rosa

Accessible parking, no restrictions.

Small Pollinator Habitat - 606 Corlano Ave, Santa Rosa

There is an hour limit on parking that occurs daily between 10am-10pm.

Sonoma Succulents Hilltop - 3929 Rincon Ridge Dr, Santa Rosa

All garden tour attendees must park on the street — Rincon Ridge Drive — where all of the mailboxes and driveways are located. To reach 3929, walk straight up the shared driveway that is next to the pueblo-style house on Rincon Ridge Drive. Once you walk straight up the shared driveway, you'll see a modern, gray and blue house surrounded by succulents.

Riparian Woodland Meadow - 358 Benicia Dr, Santa Rosa

Accessible parking, no restrictions.

Sonoma County Garden - 903 Wildwood Trail, Santa Rosa

Seems to be no parking restrictions. The roads to park on are narrow. Park as far over as possible for neighbors.

Moving Mountain Rain Garden- 2349 Hilltop Ct, Santa Rosa

Accessible parking, no restrictions.

Laguna Foundation - 900 Sanford St, Santa Rosa

Parking attendants will be present to help park visitors.

DIY Daydream - 1098 Odell Ln, Santa Rosa

Accessible parking, no restrictions.

Freda's Garden - 646 Tupper Street, Santa Rosa

There is a 2-hour parking limit from 9am-6pm every Monday-Saturday. The Rose Parade will be occurring starting at 10am in this area.

Catch the Rain - 649 Tupper Street, Santa Rosa

There is a 2-hour parking limit from 9am-6pm every Monday-Saturday. The Rose Parade will be occurring starting at 10am in this area.

Totally Unexpected Food Forest - 1857 Crimson Lane, Santa Rosa

Accessible parking, no restrictions.

Habitat Refuge - 942 Gaydee Ct, Sebastopol

Habitat Refuge is in a more rural (in terms of parking) residential community. Parking is accessible but the roads are narrow, so pulling off as far as possible without blocking neighbors' mailboxes and driveways.

Firewise Oasis - 9356 Graton Rd, Sebastopol

Only parking on the paved areas. Not on the grass!

Birdland - 10655 Barnett Valley Rd, Sebastopol

Accessible parking, no restrictions.

Water Education Center - 9703 Wohler Rd, Healdsburg

You will see Wohler Bridge -- cross the bridge! Yield to vehicles at bridge - it's a one-lane bridge. Keep driving straight. Cars pull into the first parking lot on the right.

Purple Victorian Pollinator Paradise - 314 Bassett St, Petaluma

Accessible parking, no restrictions.

A Garden with a View - 2351 Dominic Dr, Novato

Accessible parking, no restrictions.

Home Ground Habitat - 1875 Indian Valley Rd, Novato

Construction might be in process and Wilson Ave might be closed.

Lemons and Lavender Homestead - 1140 Ferris Dr, Novato

Accessible parking, no restrictions.

Oak and Sages - 731 Lamont Ave, Novato

Accessible parking, no restrictions.

Miles Mckay Meditation Garden - 600 Palm Dr, Novato

The Miles Mckay Meditation Garden is located behind Unity in Marin, there is a trail that leads up to the garden. There are two parking lots located at the site, as well as a parking lot across from the garden.

Creekside Pollinator Garden - 21021 Via Colombard, Sonoma

The Pollinator Garden is located on the HOA's open area, and not at a private residence. We suggest using the address 21021 Via Colombard for map directions. The entrance to the open area is under a large live oak tree on the right of the street (north, between Zinnia and Crocus Courts). The sidewalk next to the tree leads to a grassy area towards the pond and the Pollinator Garden, on the right. Parking is also available on the side streets (Zinnia and Crocus Courts).

Sonoma Garden Park - 19996 7th St E, Sonoma

Sonoma Garden Park has its own small parking lot (10 parking spaces) and there is street parking. The Sonoma Ecology Center also runs garden markets on Saturdays and is used to hosting events so can handle traffic control.

The Daniel Stralka Memorial Pollinator Garden - 50 Acacia Ave, San Rafael

The garden is located on a college campus. The residential neighborhoods seem to have open parking and school parking is available.

Planting for the Future - 10 Golf Ave, San Rafael

Accessible parking, no restrictions.

Delightful Pollinators Garden - 26 Plymouth Ave, Mill Valley

Accessible parking, no restrictions.

Wildlife Oasis: Neil Cummins Native Habitat Gardens - 140 Pixley Ave, Corte Madera

Accessible parking, no restrictions.
