

Capture the Moment!

Share Your Experience with Us on Social Media

We hope you enjoy your Eco-Friendly Garden Tour! We'd love for you to photograph the beautiful gardens and share them with us and our community on social media. When visiting the gardens, please take pictures and tag us on social media with your favorite pictures!

How to Share:

1. **Snap a Photo:** This can be of a specific plant, a garden feature, or you enjoying the garden tour.
2. **Tag Us:** When you post your photo on social media platforms like Facebook or Instagram, make sure to tag us. @SonomaMarinSavingWaterPartnership, @saving_water_partnership
3. **Use Hashtags:** Include the hashtag #EcoFriendlyGardenTour. This helps others find your post and connect with us.
4. **Share Your Story:** Don't forget to add a caption! Tell us what you loved about the Eco-Friendly Garden Tour experience.
